

CELEBRITY CHEEKS WORD PUZZLER

We give you the names, you fill in the puzzle!

This puzzle is a little different. First off, we start by giving you all the answers! All of the answers are either the first name or the last name of one of the celebrities in the list below. It is your job to find where they fit in the grid. You'll need to use logic (hint: check word lengths) and, if you are good at interpreting tiny icon sized images, the *small* pictures of celebrity cheeks might be a little help too.
